Value

For undergraduate students, the AMPC Scholarship is valued at a total of \$20,000. This constitutes a cash stipend of \$10,000 per annum for a maximum of two years (based on full-time enrolment). The stipend may be used at the recipient's discretion to contribute towards payment of their course fees, or for other education-related expenses and/or general living costs.

For postgraduate students, the AMPC Scholarship is valued at a total of \$15,000 (based on full-time enrolment), paid as a cash stipend for a maximum of one year. The stipend may be used at the recipient's discretion to contribute towards payment of their course fees, or for other education-related expenses and/or general living costs.

Payments occur post census date each semester. Payments will be made approximately mid-end April and September each year.

Eligible courses

- B-NUTR Bachelor of Science (Nutrition and Food Science)
- STRU-FOODS Food Science Stream
- MC-FOODST Master of Science (Food Science and Technology)

Eligibility criteria

Applicants must meet all of the following criteria to be eligible for the AMPC Scholarship:

- Be an Australian Citizen, Australia Permanent Resident or Australian Permanent Humanitarian Visa Holder
- Enrol at Curtin in the 2nd year of either:
 - B-NUTR Bachelor of Science (Nutrition and Food Science), STRU-FOODS Food Science Stream
 - MC-FOODST Master of Science (Food Science and Technology)
- Have a CWA of 75 (or as approved by the principal investigator of the project) and enrol full-time (100 credits per semester) in the course

Scholarships will be awarded provided there are applicants considered to be of sufficient merit. The panel for the scholarship reserves the right not to award the scholarships in any one year if no suitable applicant(s) are found.

Conditions that need to be met to keep your scholarship

Recipients must meet all of the following:

- Remain enrolled in the same course of study that they received the offer of the scholarship
- Maintain a full time study load of at least 100 credit points each semester at Curtin University
- Maintain a course weighted average (CWA) of at least 75 each semester
- Pass all units attempted each semester
- Undergraduate students must be enrolled in the STRU-FOODS Food Science Stream (BSc Nutrition and Food Science) and be undertaking the following units:

- FOOD2007 Food Safety and Microbiology;
 - FOOD3006 Current Topics in Food Science;
 - FOOD3007 Sensory and Consumer Evaluation of Food, and
 - FOOD3004 Food Science Professional Placement (in red meat industry)
- Postgraduate students must be enrolled in their second year of the MC-FOODST Master of Science (Food Science and Technology) and be undertaking the following units:
- HEAL6027 Health Sciences Research Dissertation Preparation, and
 - HEAL6029 Health Sciences Research Dissertation (in an area relevant to red meat safety and microbiology)

Scholarship continuity is subject to meeting satisfactory academic progress as outlined above. Progress will be assessed at the end of each study period. Unless there are **exceptional circumstances**, a recipient with unsatisfactory progress or who breaches the scholarship conditions shall be ineligible to retain the scholarship. **Exceptional circumstances** must be forwarded to and shall be at the discretion of the Scholarships Office.

Changes to enrolment

If a recipient intends to do any of the following they must also apply in writing to the Scholarships Office (scholarships@curtin.edu.au) for approval **BEFORE** the change. The Scholarships Office will advise how the change will affect their scholarship.

- **Change from full time enrolment**
- **Change of course**

Leave of Absence is not permitted.

Withdrawal or Terminated from units or course: A recipient who withdraws from their units or course of study, or has been terminated from studies will become ineligible for continuation of the scholarship, will not receive any further payments and will be required to repay to Curtin University the stipend awarded for that study period if applicable.
