*The expected duration of the scholarship is based on recipients undertaking a full-time study load of 200 credits per year. Any study that is taken over and above the expected duration of your initial degree will not be covered.

If you receive a Centrelink payment, you should declare to Centrelink any scholarships you are awarded.

The Australian Tax Office has a "[Is your scholarship taxable?](#)" tool on their website to help you determine if your scholarship is taxable. For expert advice please contact the Australian Taxation Office (www.ato.gov.au) or your accountant.

CONDITIONS THAT NEED TO BE MET TO KEEP YOUR SCHOLARSHIP

- 1) You must remain enrolled in an eligible undergraduate degree at Curtin University. If you intend to change course, you are required to seek approval for this change from the Scholarships Office.
- 2) Unless there are **exceptional circumstances** you must:
 - Maintain a course weighted average (CWA) of at least 50 and fail no more than one unit per semester. Academic monitoring of scholarship recipients will occur each semester.
- 3) Leave of absence is permitted for up to a maximum of 12 months over the duration of the scholarship. If you intend to take a leave of absence, you must apply for your leave of absence through your faculty.
- 4) If you cease studies at Curtin, either voluntarily (e.g. by withdrawing from course or units) or involuntarily (e.g. termination from course due to unsatisfactory course progress or suspension, termination or expulsion due to misconduct), you will become ineligible for continuation of this scholarship. The scholarship will cease immediately and you will be required to repay any stipend awarded for the most recent study period.
- 5) You must advise the Scholarships Office immediately if your financial situation changes from what was provided in your initial scholarship application.
- 6) The Curtin STAR Scholarship is not transferable into any other university.

Unless there are **exceptional circumstances**, if you have unsatisfactory progress or breach the scholarship conditions, you shall be ineligible to retain the scholarship. If you do not meet all the conditions outlined, you may be placed on a breached status which would provide an opportunity for you to improve your grades in the subsequent semester. This opportunity would occur only once for the duration of the scholarship.

Exceptional circumstances must be forwarded in writing to the Scholarships Office, along with supporting documentation (e.g. medical, counselling). Requests will then be assessed by the Scholarships Office and you will be notified of the outcome once a decision has been reached.
