What this Scholarship Provides

The Bev Corless Memorial Scholarship for 2014 will provide the following support for the expected duration of your undergraduate degree for up to a maximum of 4 years (based on a full-time study load of 100 credits per semester):

1) A total value of up to $24,000 paid as a cash stipend of $3,000 per semester. The stipend can be used at your discretion to contribute towards educational related expenses.

2) Possible opportunity for vacation work with Alcoa between your 3rd and 4th year of study.

Any study that is taken over and above the expected duration of your initial degree will not be covered.

If you receive a Centrelink payment, you should declare to Centrelink any scholarships you are awarded. The Australian Tax Office has a "Is your scholarship taxable?" tool on their website to help you determine if your scholarship is taxable. For expert advice please contact the Australian Taxation Office (www.ato.gov.au) or your accountant.

Conditions that need to be met to keep your Scholarship

1) Unless there are exceptional circumstances:
   • Deferral of this scholarship is not permitted.
   • Remain enrolled in your initial major and course of study.
   • Maintain a full-time enrolment of 100 credits per semester at Curtin University. If any study is undertaken below 100 credits per semester, you are required to seek approval for this change from the Scholarships Office who will assess your request in consultation with a representative of Alcoa.
   • Remain eligible for a Commonwealth Supported place at Curtin University (this means you must be an Australian or New Zealand citizen or the holder of an Australian Permanent Humanitarian or Permanent Resident visa) and be residing in Australia.
   • Maintain a course weighted average (CWA) of at least 70 and pass all enrolled units per semester. Academic monitoring of scholarship recipients will occur each semester.
   • Leave of absence is not permitted.

2) You are ineligible to apply for or receive any other industry sponsored scholarships whilst in receipt of the Bev Corless Memorial Scholarship.

3) If you withdraw from your units or course of study or are terminated from your course of study, you will become ineligible for continuation of this scholarship. Your scholarship will cease immediately and you will be required to repay to Curtin University any stipend awarded for that study period.

4) The Bev Corless Memorial Scholarship has been awarded for a particular course at Curtin University and is not transferable into any other course, faculty or university.

Unless there are exceptional circumstances, if you have unsatisfactory progress or breach the scholarship conditions, you shall be ineligible to retain the scholarship. If you do not meet all the conditions outlined, you may be placed on a breached status which would provide an opportunity for you to improve your grades in the next semester's exams. This opportunity would only occur once for the duration of the scholarship.

Exceptional circumstances must be forwarded in writing to the scholarships office, along with supporting documentation (e.g. medical, counselling). Requests will then be assessed by the Scholarships Office in consultation with a representative of Alcoa and you will be notified of the outcome once a decision has been reached.

Payments

The Bev Corless Memorial Scholarship will commence from semester 1, 2014.

Cash payments of $3,000 will be paid to your nominated bank account each semester.

Cash payments are based on full-time enrolment of 100 credits per semester.

First and second semester payments will occur post census dates (thus approx. mid-end April and mid-end Sept dependant on the receipt of payment from external sponsor).

Note: Your scholarship payment will appear on your bank statement with the reference as follows: DEPOSIT CONCUR TECHNOLOG CP?????????

Vacation Work

You may be offered vacation employment with Alcoa between your 3rd and 4th year of study.

Details of vacation employment must be arranged between Alcoa and yourself. While vacation work placements are not guaranteed, you are expected to accept work placement with Alcoa in lieu of other companies if work placement with Alcoa is offered. You must keep Alcoa informed if you are pursuing, or have been offered work placements which would preclude you from accepting a placement with Alcoa.

You will need to contact Alcoa to provide your contact details and to express your interest and availability to undertake possible vacation work. Alcoa can be contacted at vacancies@alcoa.com.au
