WHAT THIS SCHOLARSHIP PROVIDES

The Curtin STAR Award for 2012 commencing students will meet the following:

$2,000 cash payment per year to assist with costs associated with studying (textbooks, incidental expenses etc) for the normal expected duration of the degree for which the scholarship was offered.

Recipients can have the option to receive $250 each semester in the form of a bookshop voucher pre census date each year. If this option is chosen it CANNOT be changed.

The scholarship is available for the normal expected duration of the initial undergraduate course offered to successful scholarship recipients. For example, if the normal expected duration is 600 credits of study, the scholarship will cover 600 credit points only. Any study that is taken over and above the normal expected duration will be at the student's expense. No extensions beyond the normal duration of study will be considered except honours if applicable.

The university reserves the right to reduce the amount of assistance provided by the scholarship where applicants are in receipt of other scholarships.

If you receive a Centrelink payment, you should declare to Centrelink any scholarships you are awarded.
