WHAT THIS SCHOLARSHIP PROVIDES
The Information Systems Scholarship for 2012 Commencing Students will meet the following:

1) $5,000 in total and will be awarded to students over the period of the original course that the scholarship was offered, for example if it is a three year course they will receive $2,000 in their first year and then $1,500 in the subsequent years.

The Information Systems Scholarship is available for the normal expected duration of a Bachelor of Commerce specialising in one of the following majors only:

- Business Information Technology
- Business Information Technology & Systems
- Business Information Systems

For example, if the normal expected duration is 600 credits of study, the scholarship will cover 600 credit points only. Any study that is taken over and above the normal expected duration will be at the student's expense. No extensions beyond the normal duration of study will be considered except if a recipient continues to an honours year. Recipients will need to contact the Scholarships Office for approval of the extension of their scholarship.

Please note that since Curtin Business School courses have a common first year, to maintain eligibility for this scholarship a student must enrol in Unit 310410 Systems Analysis and Design 251 or Unit 305458 Business Application Design 201 in the first year of study.

The University reserves the right to reduce the amount of assistance provided by the scholarship where applicants are in receipt of other scholarships.
